

# COMMUNIQUE

Dear valued Customers,

Please be advised that Mauritius Telecom is currently undertaking some major works on the LION/ LION 2 submarine cables. Consequently, the service provider has issued a cautionary notice to inform of potential internet connectivity downtimes until **Saturday, August 12, 2023**.

As a result, this may cause some disruption to our card-related services and internet banking facilities.

We thank you for your understanding and apologize for any inconvenience this may cause.
